A Tribute to Sheila Hagendorfer.

Sheila came to Bridport and enthusiastically offered her expertise to the ‘progress association’. As President of Bridport 2000+ (the predecessor of Bridport Innovations Inc), Sheila was instrumental at gaining the grant to build the Bridport Pavilion Information Centre and have new public toilets constructed on behalf of the Dorset Council.

She regaled stories of her achievements in the business sector on the mainland and I was delighted to have her as my mentor over the years. (Gayle Edson). She was an editor of the Bridreport.

Sheila chaired the Movie Society for many years and along with an enthusiastic committee brought the Movie Makers Convention to Bridport.

Sheila was made a Life Member of Bridport Innovations Inc in September 2011. Never one to back down from a challenge Sheila along with her husband Tony and beloved dog Bella made her mark on the Bridport community before returning to Melbourne to be amongst life long friends.

Sheila Cont'd from page 3

With their beloved dog, Bella, Sheila and Tony moved back to Melbourne, Victoria; here they were surrounded by old and new friends.

Sheila continued her studies, working with great dedication towards her BA in History; and resumed her painting.

After Tony died, Sheila moved again, although not far, and found a ready-made and supportive community. With her new rescue Kelpie, Sunny, always by her side, her University of New England studies continued. During this time she was also being treated for melanoma with the trial drug *Keytruda*; this was proven to have some measurable success.

She died on June 6, 2019 and will be fondly remembered by many who reside here in Bridport. RIP

People Come Into Your Path For A Reason, A Season Or A Lifetime.

When you know which one it is, you will know what to do with that person.

When someone is in your life for a REASON it is usually to meet a need you have expressed.

They have come to assist you through a difficulty...

To provide you with guidance and support...

To aid you physically, emotionally or spiritually...

They may seem like they are a godsend, and they are.

They are there for the reason you need them to be.

Then without any wrongdoing on your part, or at an inconvenient time, this person will say or do something to bring the relationship to an end.

Sometimes they die...

Sometimes they walk away...

Sometimes they act up and force you to take a stand....

What we must realise is that our need has been met, our desire fulfilled...

Their work is done.

The prayer you sent up has now been answered and now it is time to move on.

Some people come into your life for a SEASON.

Because your turn has come to share, grow or learn.

They bring you an experience of peace or make you laugh.

They may teach you something you have never done.

They usually give you an unbelievable amount of joy.

Believe it, it is real. But only for a season.

LIFETIME relationships teach you lifetime lessons.

Things you must build upon to have a solid emotional foundation.

Your job is to accept the lesson, love the person, and put what you have learned to use in all other relationships and areas of your life.

It is said that love is blind, but friendship is clairvoyant.

Thank you for being a part of my life...

Whether you were a reason, a season or a lifetime

UPDATE FROM THE MEN'S SHED

Hi to all from the Men's shed.

Well the men's shed is coming to the end of the financial year. We have achieved a fair bit by work being done around the yards as well as the shed being sorted out a bit more. It is good to see that we are having a few more members turning up and giving a hand to do certain things.

Our Annual General Meeting will be on Monday the 15th of July, 10am to be followed by a B.B.Q.

Nominations for office bearers are acceptable up to and on the day, so come along and vote. Memberships are to be paid on the day. Our Raffle is going well and will be drawn at the end of July,

If anybody would like a chance to get a trailer load of wood, most of the members have tickets to sell. \$2 for one and \$5 for three. I reckon the 3 tickets for \$5 is a good price to pay for a trailer load of wood if you win it. So all members don't forget to turn up for the meeting and bring along any new people that would like to join us. Our major chef, Bob should be back by then.

Stay safe everyone

THE NORTH EAST FIELD NATURALISTS CLUB

Anyone looking for an easy but extremely beautiful walk through natural unspoilt wet sclerophyll forest could do no better than a walk along the North East Rail Trail. The Field Nats drove in to the old Kamona Siding at the top of Rocky Gully, and walked the 12km downhill to Tonganah.

The Scottsdale Rotary Club have done a fantastic job both turning this old railway line into a magnificent bike trail, but it is also exquisitely maintained.

Points of interest along the way were winter flowering orchids, beautiful lush fern understory, the interesting interpretation panels and the awesome cuttings through granite – all cut by hand a hundred years ago.

On July 13th, the group will have its usual film day in the Bridport Hall. As well as short films with an environmental theme, members of the group will present their own pictures on the theme "Where am I?" [in Tasmania].

The day begins at 11am. Soup will be served at lunch time, those attending might bring sandwiches to share.

I Built No Schools in Kenya: A Year of Unmitigated Madness. Kirsten Drysdale (Book of the month)

In September 2010, Kirsten Drysdale was tricked. Her friend called with a job offer too curious to refuse: a cruisey-gig as a dementia carer for a rich old man in Kenya. All expenses-paid, plenty of free time to travel or do some freelance reporting. There seemed no good reason to say no... so she got on a plane.

Bridport Primary School would like to thank all those who collected the 'Earn & Learn' stickers from Woolworths Supermarkets.
