## BRIDPORT NETBALL NEWS

Bridport Netball Club has completed a very successful season. Three teams made it to the grand finals but were on the wrong end of the scoreboard in two of the three games. Congratulations to the Under 15 Tuesday girls who became grand champions of their league. (picture pg 5). A complete round up of the season will be presented after the annual dinner and prize giving to be held on Friday night.

With the assistance of our sponsors and support for our fundraising functions the extensions to the club house have been completed except for the painting. Calling on all members and volunteers to assist with the painting during the period between now and the start of next season.

Please contact the committee if you find yourself with some time available to operate a paint brush or roller.

## MUSSELROE WIND FARM BRIDPORT 10K+ FUN RUN.

Sports clubs, work mates and other organisations are being encouraged to enter a team in this year's event which is coming up on Sunday 27 October, with major sponsor **Musselroe Wind Farm** entering into the spirit by nominating a team to join the fray and run like the wind.

Participants run, jog or walk the Bridport Walking Track of 10+ kilometres completely circumnavigating the "village by the sea".

Organisers are hoping to see more participation by locals so that more of the \$1800 prize money stays in the area.

**Friendly IGA Supermarket** and **Harcourts Real Estate** are supporting the under 16 divisions of the race and emphasis will remain on the fun side of the event with **Hollybank Treetops Flights** and even an overseas charter flight, to Flinders Island, complements of **Flinders Island Aviation**, on offer as spot prizes together with other give aways on the day.

Registrations from 12 year olds up will be taken on the day from 8 am at the Village Green, where the starter's gun will sound at 10 am.

A two-kilometre junior event for under 12 year olds will get underway, out and back along the foreshore, immediately after the senior runners clear the area.

Last year's winners Kate Pedley and David Thomas are expected to return to defend their titles . (picture Pg 1)

## UPDATE FROM THE MEN'S SHED

### Hi to all from the Men's Shed.

Life sometimes gets in the way of writing reports so this month the Men's Shed are having a rest. That does not mean to say the Shed is closed as the busy folk are continuing with their projects. Watch this space for an update next month.

Stay safe everyone

## THE NORTH EAST FIELD NATURALISTS CLUB

### UNIQUE TASMANIAN SPIDER

In the Derby Tunnel, it is still possible to see a unique spider, the largest spider in Tasmania.

It is the last spider in Tasmania with connections to the great Gondwanaland, when all the southern continents were joined 180 million years ago.

That means, its closest relatives are in South America.

Its other claim to fame is that it is Tasmania's largest spider with a length of 180 mm including its leg span. It weaves a sheet web – more than a metre across.

This cave spider was last seen at the Derby Tunnel a couple of months ago, clinging onto its web in the face of what will be massive changes to its environment. It has a special niche in the natural world, where it lives in the dark places, eating mainly cave crickets.

It is only found in Tasmania. The next field nats outing is on the 14<sup>th</sup> September to look at the natural features of Cape Portland. Meet at Gladstone at 10am.
